

WARNING!!!

There is a very dangerous threat already inside your organization.
It is sitting silently waiting to steal your data at a moments notice.

Its technology is so sophisticated,
that it can morph its behavior instantly if detected.

What, You Ask, Is It? **THE INSIDER THREAT**

It only takes one Insider who is disgruntled to make
unauthorized disclosures of your organizations
classified or sensitive information.

SEE SOMETHING, SAY SOMETHING
PLEASE REPORT ALL
SUSPCIOUS BEHAVIORS TO SECURITY
