## **INSIDER THREAT SYMPOSIUM & EXPO (TM) March 4, 2025**

**Johns Hopkins University Applied Physics Laboratory, Laurel, Maryland**

**[www.insiderthreatsymposium.org](http://www.insiderthreatsymposium.org)**

# **National Insider Threat Special Interest Group (NITSIG)**

*U.S. / Global Insider Risk Management (IRM) Information Sharing & Analysis Center  
Educational Center Of Excellence For IRM & Security Professionals*

## **Insider Threat Symposium & Expo (ITS&E)**

### **Security Solutions & Services Vendors**

The NITSIG will be holding the ITS&E on March 4, 2025, at the Johns Hopkins University Applied Physics Laboratory ([JHU-APL](#), Laurel, Maryland), in the Kossiakoff Center. The event runs from 8AM to 5PM.

This year's event will feature expert speakers ([See This Link](#)) with Subject Matter IRM Program experience, and an interactive breakout panel that will discuss a variety of IRM topics

The ITS&E brings together professionals from the U.S. Government, Department of Defense, Intelligence Community Agencies, law enforcement, critical infrastructure providers, defense contractors, academia, and the private sector, for a 1 day event that features expert speakers, engaging and interactive panel discussions, vendor technologies and solutions, and networking with IRM practitioners. The ITS&E was created in 2015 specifically for individuals interested in gaining in-depth knowledge related to Insider Risk Management Programs and IRM technical solutions.

This will be the 5th ITS&E. Other ITS&E events were held in 2015, 2017, 2018, 2019. Attendance numbers range between 250 to 500 people.

Many vendors participated at ITS&E on September 10, 2019, at JHU-APL. The feedback from individuals was outstanding with comments about the great speakers, to the large selection of vendors that were on display. (**See Page 5 For Examples Of Feedback From Vendors**)

This is a very important event for your company to showcase its solutions, services and expertise in mitigating Insider Risks - Threats.

Don't let your competition steal the show. There are 20 vendor tables available for this event. The tables are available on a first come, first serve basis.

The link below provides a complete overview of the NITSIG, Advisory Board Members and the **very positive comments** from our membership and other individuals that have attended NITSIG meetings, workshops and ITS&E events.

Additional information on the NITSIG can be found below.

The NITSIG was created in 2014, to function as a National Insider Threat Information Sharing & Analysis Center. We are very proud that we have accomplished this goal, from the continued growth of the NITSIG Membership, and the very positive comments we continue to receive from our membership, and from others who attend our meetings and events.

The NITSIG Membership is the largest network (**1000+**) of Insider Risk Management (IRM) Professionals in the U.S. and globally. The willingness of our members to collaborate and share information among the membership has been the driving force that has made the NITSIG very successful. **There is NO CHARGE to become a NITSIG Member.** ([Join NITSIG](#))

**VENDOR COMMENTS**

The attendee registration contact info is GREATLY appreciated.

As for the conference review – It was my first time attending / exhibiting and I felt it was time well spent for sure. Productive conversations with multiple potential customers and also partners. The location was nice and effective for good flow.

Thanks again for the information and the opportunity to participate!

I look forward to working with you more in the future.

Jeff / DTex Systems

---

Thank you so much for providing us with the attendee registration the NITSIG Insider Threat Symposium and Expo. The Bay Dynamics team had a great time at the event and were very pleased with the conversations they had onsite.

Mary Kingsley / Bay Dynamics Marketing Director

---

Excellent symposium last week.

Thanks,

Ollie R. Luba / Leidos Cyber, Inc  
Principal Systems Engineer

---

Hello Jim,

Thank for a really good event. We met individual companies with monitoring needs that we can engage with further.

Regards

Suzanne Parent / Veriato / Manager, Partner Sales

---

Jim,

It was an amazing event. Please let me know how we can participate in upcoming meetings. I'm very interested in sponsorship of Chapter and next Expo.

Thank you again,

Michael Seguinot / Exabeam

---

Hi Jim,

Thank you so much for everything. We are having a fantastic time at your event and are honored to be your premiere sponsor. Thank you so much again. We look forward to working together in the future.

Anita Vohra / Securonix  
Director of Field Marketing: Northeast, Canada, Federal
